

MODELING OUR WA`A HIGH SCHOOL STEM DAY CAMP

Hosted by Honolulu Community College in partnership with Polynesian Voyaging Society

What: A five day camp where high school students will have the opportunity to learn about the use of math and science in sailing, and have the opportunity to apply those skills both on land and on the water!

When: October 7 - 11, 2019
Monday - Thursday: 9:00 AM - 4:30 PM
Friday: 9:00 AM - 8:00 PM

Mandatory Orientation Session for Participants and Parents/Legal Guardians at The Marine Education Training Center:

Saturday, September 21, 2019
9:00 AM - 11:00 AM

Required documents will be emailed to you and will need to be submitted at the orientation session. If you and your camp participant are unable to make it to the orientation session, please be sure to email the required forms to honcet@hawaii.edu

Cost: \$40 per participant

Where: Marine Education and Training Center (METC) on Sand Island
10 Sand Island Parkway
Honolulu, HI 96819

Target Audience: High School Students in Grades 9 - 12

Space is limited to 30 students---students **MUST** be able to swim!

Registration Information: Please call (808) 845-9296 and mention "Modeling Our Wa`a."
Or email honcet@hawaii.edu for more information.

Registration will be open from August 28 - September 20, 2019.

Registration will be on a first-come, first-served basis.
